Technical services provided by

**AVW•TELAV**  
Audio Visual Solutions

avwtelav.com

## OUR COMMITMENT TO YOUR SUCCESS

---

At AVW-TELAV, we provide presentation technology solutions that allow for powerful, effective communication at your events. In a wide variety of presentation venues, we consistently provide award-winning technical expertise, responsive staff, and state-of-the-art equipment.

Above all, we deliver *service second to none*.

## UNDERSTANDING

---

Our deep experience and keen attention to technology trends give us a thorough understanding of the full potential of meeting environments and modern communication technologies. So, no matter the size of your organization or event, AVW-TELAV understands the issues and completes the mission – every time.

## SOLUTIONS

---

We offer the most extensive array of audio visual and presentation technology solutions for special events and trade shows. For more than 40 years, we have set the standard for excellence and innovation, partnering with our clients to establish the best combination of equipment and services for their needs.

## VALUE

---

Can you afford to produce a meeting that does not effectively convey your organization's message? High-impact communication and reliable delivery are critical to your success, and we are proud to deliver these – consistently. Advice, performance, and reliability, all within your budget – this equates to true value.

## ASSURANCE

---

When you work with AVW-TELAV, you have the assurance that comes when you work with a true partner, one who is committed completely to the success of your event. You can feel confident that an expert team is on your side, to look out for your interest and manage the technical details.

## PEOPLE

---

Your dedicated AVW-TELAV team is made up of highly trained and experienced personnel. Our training programs are the envy of the industry, and our people are seasoned professionals, who take pride in their knowledge and their work. You can rely on our skills, our savvy, and our dedication to get the job done right.

## CANCELLATION

---

A request for cancellation of equipment or services must be received 24 hours prior to the event to avoid a one-day rental charge. If equipment and services have already been provided at the time of cancellation, original charges will be applied. *All prices are subject to change without notice.*

## LABOUR CHARGES

---

Technical labour required will vary in accordance with the type of equipment and services you need. Your AVW-TELAV representative will provide you with a detailed, proposal, customized for your specific event.
