# Body

## Thermal Salt Glow

90 minutes     \$279.00

Exfoliation begins with resurfacing micro granules that gently polish off dead cells to reveal smoother, fresher skin. Unique thermal technology activates upon contact to stimulate skin-sloughing Lactic Acid, Salicylic Acid and Retinol. Antioxidants help condition and even skin tone. A nourishing hydrator is applied, followed by the ultimate scalp and foot care. Hot oil is gently massaged into the scalp releasing tension and nourishing hair follicles. Finally, a moisturizing mask is applied to the feet for total body rejuvenation.

## Hydrating Mud Wrap

60 minutes     \$190.00

Warm, nourishing mud formulated with organic shea butter, french pink clay, and avocado oil enrobe the body. Relax with a scalp and foot massage while the oils penetrate and hydrate your skin. We bring you back to reality while thoroughly removing the mud with hot towels and finishing with an organic lemon detox tea.
